

Serial No.: 10/804,762  
Filing Date: March 19, 2004

### REMARKS

In the Restriction Requirement mailed November 21, 2005, the Examiner required restriction to one of the following Groups:

- Group I: Claims 1-17, drawn to methods of inhibiting immune responses to allogenic transplants, classified in class 514, subclass 44;
- Group II: Claims 18-20, drawn to allografts modified to express CD8 alpha chains, classified in class 3435, subclass 325;
- Group III: Claims 21-26, drawn to solutions comprising vectors encoding CD8 alpha chains, classified in class 435, subclass 320.1.

Applicants elect **Group I**, Claims 1 to 17, without traverse, for further prosecution. Applicants reserve the right to pursue the subject matter of the non-elected Groups at a later date.

Please direct any calls in connection with this application to the undersigned at (415) 781-1989.

Respectfully submitted,  
DORSEY & WHITNEY LLP
